Dear Grant,

This letter expresses my sincerest appreciation of your efforts as part of our "Niko Night" promotion for the North Canton Playhouse.

You played a very large part in the success of the event -- the glue that kept it together. You are a great singer and entertainer and part of that professionalism is knowing what to say and when to say (or sing) it. With that kind of expertise, I never had to worry about "flow".

The event we have scheduled for the Jackson Belden Chamber of Commerce on Sept. 22 will be so much easier to plan now that I know we have such a solid piece already in place. I am looking forward to it with great excitement and anticipation.

Warmest Personal Regards,

John G. Allensworth
